United Kingdom Quality Ash Association

Pulverised Fuel Ash, Cenospheres and Furnace Bottom Ash Production and Utilisation Data for 2002

Proportion of United Kingdom ash products sold for Jan to Dec 2002 for the various applications

Notes:

- All available cenospheres produced are utilised within the UK. Cenospheres are normally processed and used in a
 wide variety of applications ranging from the manufacture of paints, plastics, specialist heat resisting applications,
 etc.
- 100% of the Furnace Bottom Ash produced is sold and used mainly as a coarse aggregate in lightweight concrete blocks. The remaining material is stockpiled awaiting sale.

For further information about the applications for PFA and FBA please contact:
